

THE CHOSEN
**RISE OF THE
DARKNESS**

About “The Chosen – The Rise Of The Darkness”

From the time that the Darkness ruled the ancient tribes, The Elders prophesied of a time when a descendant of The Gods would arise. Tonight, in the town of Winmont, an Ancient Legion has been awoken to finish what they started many millennia ago. Now, the fate of humanity is in the hands of One, but can he overcome the forces that dare to challenge the bloodline of the Gods?
